FIXING WALL LIGHTS ACCESSORY ON INSULATION
PANELS

Mounting bracket for insulated walls with insulation thickness from 50 mm to 200 mm. Maximum load capacity: 4 kg Maximum projection: 180 mm Luminaire mounting plate: 119 × 119 mm NB: Multiple accessories can be positioned side by side to create a larger mounting surface for the light fixture. It is therefore recommended to check the installation instructions for each individual light fixture to determine the exact dimensions of its mounting surface.
